ABOUT RESTARTUTAH

RestartUtah is a two-day exhibition-style event designed to create, accelerate, and forster business relationships within all Utah companies, in all industries, far and wide.

Part One | Rotation

The first part of RestartUtah is a simple 3-minute rotation. Once you are at your starting booth, the rotation begins. Everyone then follows the prompts to continue to the rotation.

We guarantee you'll meet everyone during the first half of the day!

Part Two | Freestyle

After lunch, every registered company may bring up to 2 VIP guests for the second half of the day. You can bring anyone you want and network with anyone at the event.

This is a great time for intros, meetings and fostering new relationships!
